Response to Request for Further Information

Letter signed
Professor
Burnett

21 July 2008

The further information and revised documentation has been considered on behalf of the Committee by the Chairman.

The Committee was satisfied with the responses to :

- Members noted that the information sheets had been amended in line with their request.

However, the Committee would be grateful for a more complete response on the following points:

- Members noted that Professor Burnett had requested an updated insurance certificate stating the period of cover from the sponsor, and would be pleased to receive this as soon as it is available

Any further revised document submitted should be given a revised version number and date.

The 60 day clock for issue of a final ethical opinion on this application will re-start when the Committee has received a response on the outstanding points.
